Everyone is back in business now and it has been great to see how the children have quickly become established in their new classes. Now the hard work starts!

Reception Class

Well done to all of our Reception Class children on starting school. They have been making friends, getting used to school life and having lots of fun. Thank you to all of the parents for helping them to settle in to school so quickly.

Helping Hands

Year Six have shown great kindness and maturity in forming relationships with their special friends in Reception Class. A huge well done and thank you to all of the children in Year Six for carrying out this role so well and making Reception Class feel welcome in our school. It really does make a difference to them and their families to know they are looked after by our older pupils.

Also, well done to the new Playground Buddies from Year Five who are ensuring life on the yard is fun filled. You are all doing an excellent job. Thank you to the Healthy Tuck volunteers who started back in school on Friday. We could not run this without your support!

It is wonderful that we can count on both pupils and parents to provide extra helping hands to make all areas of the school run smoothly. It has a huge impact on what we can offer in school. If any parents wish to volunteer in school, please contact the school office.

Holiday Journals

Well done to all of the children who participated in the Holiday Journal Challenge. There were some fantastic pieces of work which we all enjoyed. It is also a great way to keep up some writing in the holidays.

Thank you for your continued support.

Yours sincerely,

Mrs M. Wilson

Book Fair

A reminder that our Book Fair is happening in school this week. The books will be available to buy from 8:15am on Tuesday, Wednesday and Thursday and also from 3:15-3:45pm on Thursday. Please come along and support this great way of raising money for books in school.

Macmillan Coffee Morning will be held on Friday 27th September at 9:30am in the school hall. If anyone would like to donate cakes for this event, please bring them to the school office by the end of the school day on Thursday 26th September.

We appreciate your support in fundraising for this charity.

Extra-Curricular Clubs

A reminder that all school clubs start this week. We have a wide range of clubs being offered across the school and will strive to continue to offer a variety of activities throughout the school year. Music tuition also begins again this week. Please encourage your children to practise at home. Children must be prepared with everything they need for clubs and music tuition. Thank you for your support with this.
